

Early Summer May-June

1859 1<sup>st</sup> Sawmill in N Fork of Center Creek Canyon  
Built by Wm Weeks, as you go up canyon

They brot out Red pine logs

They cut them by waterpower: 3 streams  
were diverted converted into one stream &

The water dropped off a small hill & a paddle  
wheel drove the saw to cut those Red Pine  
logs.

Summer

1859

Father John Mills brot his tools & saw  
from Rock Canyon in Utah Valley by wheel barrow  
into Mound City and @ the convergence of  
Snake Creek & Pine Creek he set up an overhead  
saw to cut logs into lumber slabs

1860

In Snake Creek Peter Schurtz set up a mill  
sold to Henry Coleman Sr
